Subject: RE: GenX letter to Chemours with updated water supply list

Hi All,

Please don't send this letter out yet. I need to get my Division Director's buy in. My Branch Chief will be speaking with him sometime soon.

Thank you,
Jenny

Hi All,

Roger and Kevin, thank you for doing the tables and the letter. I greatly appreciate the time you spent doing them and they are very good. I attached a few minor edits to the letter. Please let me know if you have any questions.

Also, I will be out of the office tomorrow afternoon and Friday. If there is an urgent question, please tell my cell:

Ex. 6 Personal Privacy (PP)

Thank you,
Jenny

Subject: GenX letter to Chemours with updated water supply list

Attached is a draft letter to Chemours:

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Also attached is the original sampling request letter, and updated tables for the next round of sampling to be conducted with and without street addresses. ***Only the redacted version should be posted on the EPA website.*** Please review and edit as necessary. We would like to send the letter out ASAP so that Chemours can incorporate the newly added water supplies into their quarterly schedule which begins soon. Thanks.

Roger
